

# Adult Behavior Services

## *where lives are changed!*

At Behavioral Innovations, we are committed to providing comprehensive services to individuals of all ages. As a provider of evidence based behavioral supports, Behavioral Innovations is proud to be serving the adult community, residential, and foster programs throughout Texas. We serve privately funded clients, clients with insurance coverage, Intermediate Care Facilities (ICF), Home and Community Services, Texas Home Living and other Medicaid Waiver Program clients. We work collaboratively with each organization to provide the highest quality of services.

Our team of highly skilled Board Certified Behavior Analysts (BCBA) provide services for families and organizations under the Texas DADS, Medicaid Waiver programs, DARS programs and other funding sources. Our staff is available to serve you at your facility, group home, residence or out in the community. We look forward to working together toward your goals.
