**New
Psychiatric
Services in
Houston!!**

IDD PsychCare provides psychiatric and therapeutic services to children and adults with intellectual and developmental disabilities in Houston and surrounding areas. Headed by a team of psychiatrists, PhD's, LPC's and LCSW's we are able to meet the needs of people served in the HCS, ICF/MR, TxHmL programs and those using Medicare and private pay.

At IDD PsychCare you are a person not just a patient. Our professionals are interested in developing the best individualized treatment plan for the consumer's overall well being in order to enhance their quality of life. We take our time with each consumer, their staff and concerned family members to answer questions, explain treatment options and provide education.

Our goal is in working together we can all have a positive effect for the consumer's overall quality of life.

Our Services Include:

Psychiatric Services:

- Medication Management
- Psychological and Neuropsychological Testing
- Treatment Plan development and follow along

Psychological & Behavioral Services:

- Behavior Intervention Plans
- Coordination of Behavior Plans with ARD teams and day programs
- Staff training (School, Provider and Day Program)
